Develop. Pioneer. Grow. With UNIBERG.

Being part of UNIBERG is your chance to be part of an open, inclusive and innovative work environment. Whether you're starting your career or looking for professional growth, UNIBERG offers you the space to realize the career you always wanted. We are home to an international community of highly qualified professionals and tech enthusiasts. And together, we deliver exceptional solutions and value to our customers.

We understand that the promise of technology is only as good as the human ingenuity that delivers it. Therefore, we strongly believe in creating a culture of constant learning and development for our people.

Let us develop, pioneer and grow together.

Join UNIBERG!

We regularly collaborate with various universities and colleges to work on innovative technologies and projects.

Gather valuable experience while studying. We offer excellent opportunities for students seeking internships or guidance for their final thesis or dissertation.
